

ACT MEMBERSHIP

ACT's vision is that all children and young people with life-limiting or life-threatening conditions and their families have the best possible quality of life and care. ACT plans to achieve this vision by:

1. Campaigning with decision-makers
2. Leading the development of best practice
3. Empowering and informing families and young people

As a strong collective voice ACT can make a real difference to the lives of life-limited children, young people and their families.

Join ACT today and become a part of that voice.
